Saint Josephine Bakhita

"In God's will, there is great peace"

She lived in Sudan (North East Africa)
Bakhita means 'lucky'
She discovered the love of Jesus and became a Christian
She experienced slavery and fought for people's freedom
The anchor is the symbol associated with her, it represents her stable and strong

How can we be more like her:

Saint Josephine Bakhita teaches us about the importance of forgiveness, never giving up, and the love of God.

We can show forgiveness to others

We can persevere when we find things challenging

We can spread the news of God's love

Feast Day: February 8
