Saint Óscar Romero

"Aspire not to have more, but to be more"

He was the archbishop of San Salvador (Central America)
He stood up for human rights
He did not agree with fighting
He was a peacemaker
He fought against poverty

How can we be more like him:

We must challenge people when we see things that are wrong.

We must continue to do what we can to support our climate crisis as this is one of the biggest threats to reducing poverty in the world today.
