Christmas Fair

Monday 9th December
Nativity

Dear Parents and Carers,

This week we have explored the story 'Tiddler' and had lots of fun creating an under the sea picture. We were very impressed by how many under the sea creatures the children knew!

In Maths we have been exploring 'more than' and 'fewer than' when comparing numbers up to 5. We have really been encouraging the children to apply this new vocabulary in both their Maths lessons and when playing too.

Nativity rehearsals have begun this week and we are already so excited to show you all of their hard work!

I hope you have a lovely weekend!

Miss Parslow

Key information

Reading books will be sent home on Friday. Inside your Reading Record is a letter explaining everything you need to know about reading books at St Mary's. Any other questions please do not hesitate to ask!

We are thrilled to invite you to our Reception Nativity on **Monday 9th December**. The show will start after morning drop off.

For our class stall at the Christmas fair we will be making sweet jars. We would really appreciate any donations of jars, sweets and any materials to decorate the jars with (e.g. ribbon, stickers). Thank you!
