100 Days of Reception
We are really excited to be celebrating our 100th day of Reception on this day! Parents will be invited into the classroom celebrate this with us with a special party between 2-3pm.

Dear Parents and Carers,

In Phonics we have been reading and having a go at writing words with two new sounds - j and v! We are now onto our new set of red sounds and are incredibly proud of how well the children have settled back into our Phonics lessons after the Christmas break.

Our new topic this term is 'A Journey into a Forest'. We cannot wait to share our exciting new learning with you this term! We have loved looking at the children's fantastic homework and have been very impressed by their oracy skills when they have had the opportunity to share their work with their friends.

I hope you have a lovely weekend!

Miss Parslow

Key information

Reading books are now being changed on Monday ONLY.

Your child will bring home a Rocket Phonics book linked to the sound we have been learning about in class the previous week. If required, your child may bring home an additional Rocket Phonics book for extra support. Please ensure you still explore both books with your child as it is important that they have lots of exposure to the new sounds being taught. Your child will also bring home a library book to share with you.

The school has invested a lot of money into these new books so please can we ask that they are well looked after! We will not be able to change reading books on Monday if your child does not return their books from the previous week.
