Important dates

Tuesday 25th February

100 Days of Reception

We are really excited to be celebrating our 100th day of Reception on this day! Parents will be invited into the classroom to celebrate this with us with a special party between 2-3pm.

Dear Parents and Carers,

In Phonics we have been recapping some of our new sounds from this term. A new sound mat was sent home this week including some of these new sounds.

In Maths we have been exploring mass and capacity. The children have explored working with balance scales and measuring jugs too, applying their knowledge to make some delicious porridge!

We have now finished our 'Into the Forest' topic and when we return after half term we will begin exploring an African savannah and venture on our new topic, 'On a Safari'.

I hope you have a wonderful half term!

Miss Parslow

Key information

On Tuesday 25th February, we will be celebrating 100 days of Reception with the children. This is an amazing achievement for the children and we are so proud of them and everything they have accomplished so far!

To celebrate this special occasion, we would like to invite parents and carers to join us in our Reception classroom on this date. Adults will be invited in to the classroom from 2pm.

We hope as many of you as possible are able to make it and we cannot wait to celebrate with you!

The Reception children are welcome to wear their favourite party wear on the 25th to ensure they are ready to celebrate. Please be mindful that outfits will need to be appropriate for playtime and general school activities!
