

Reception Newsletter

Friday 3rd October 2025

Dear Parents and Carers,

We hope you've all had a wonderful week!

In Drawing Club this week, we've been enjoying the story Superworm by Julia Donaldson. The children created some fantastic drawings of Superworm and his friends, showing great creativity and attention to detail. We also practised writing the letter 's' for Superworm - the children are becoming more confident with their letter formation every day!

In Maths, we've been diving into the number 4. Using Numberblocks and counters, the children explored different ways to represent and count to four. It's been lovely to see them using their problem-solving skills and working so well together.

We hope you have a lovely weekend,
Miss Julian and Mrs Charlie

Important dates

Tuesday 7th October
Phonics workshop for
parents
9.00-9.30am

Wednesday 8th October
Grandparents morning

Tuesday 21st October
Superhero dress up day

Key information

Reading books

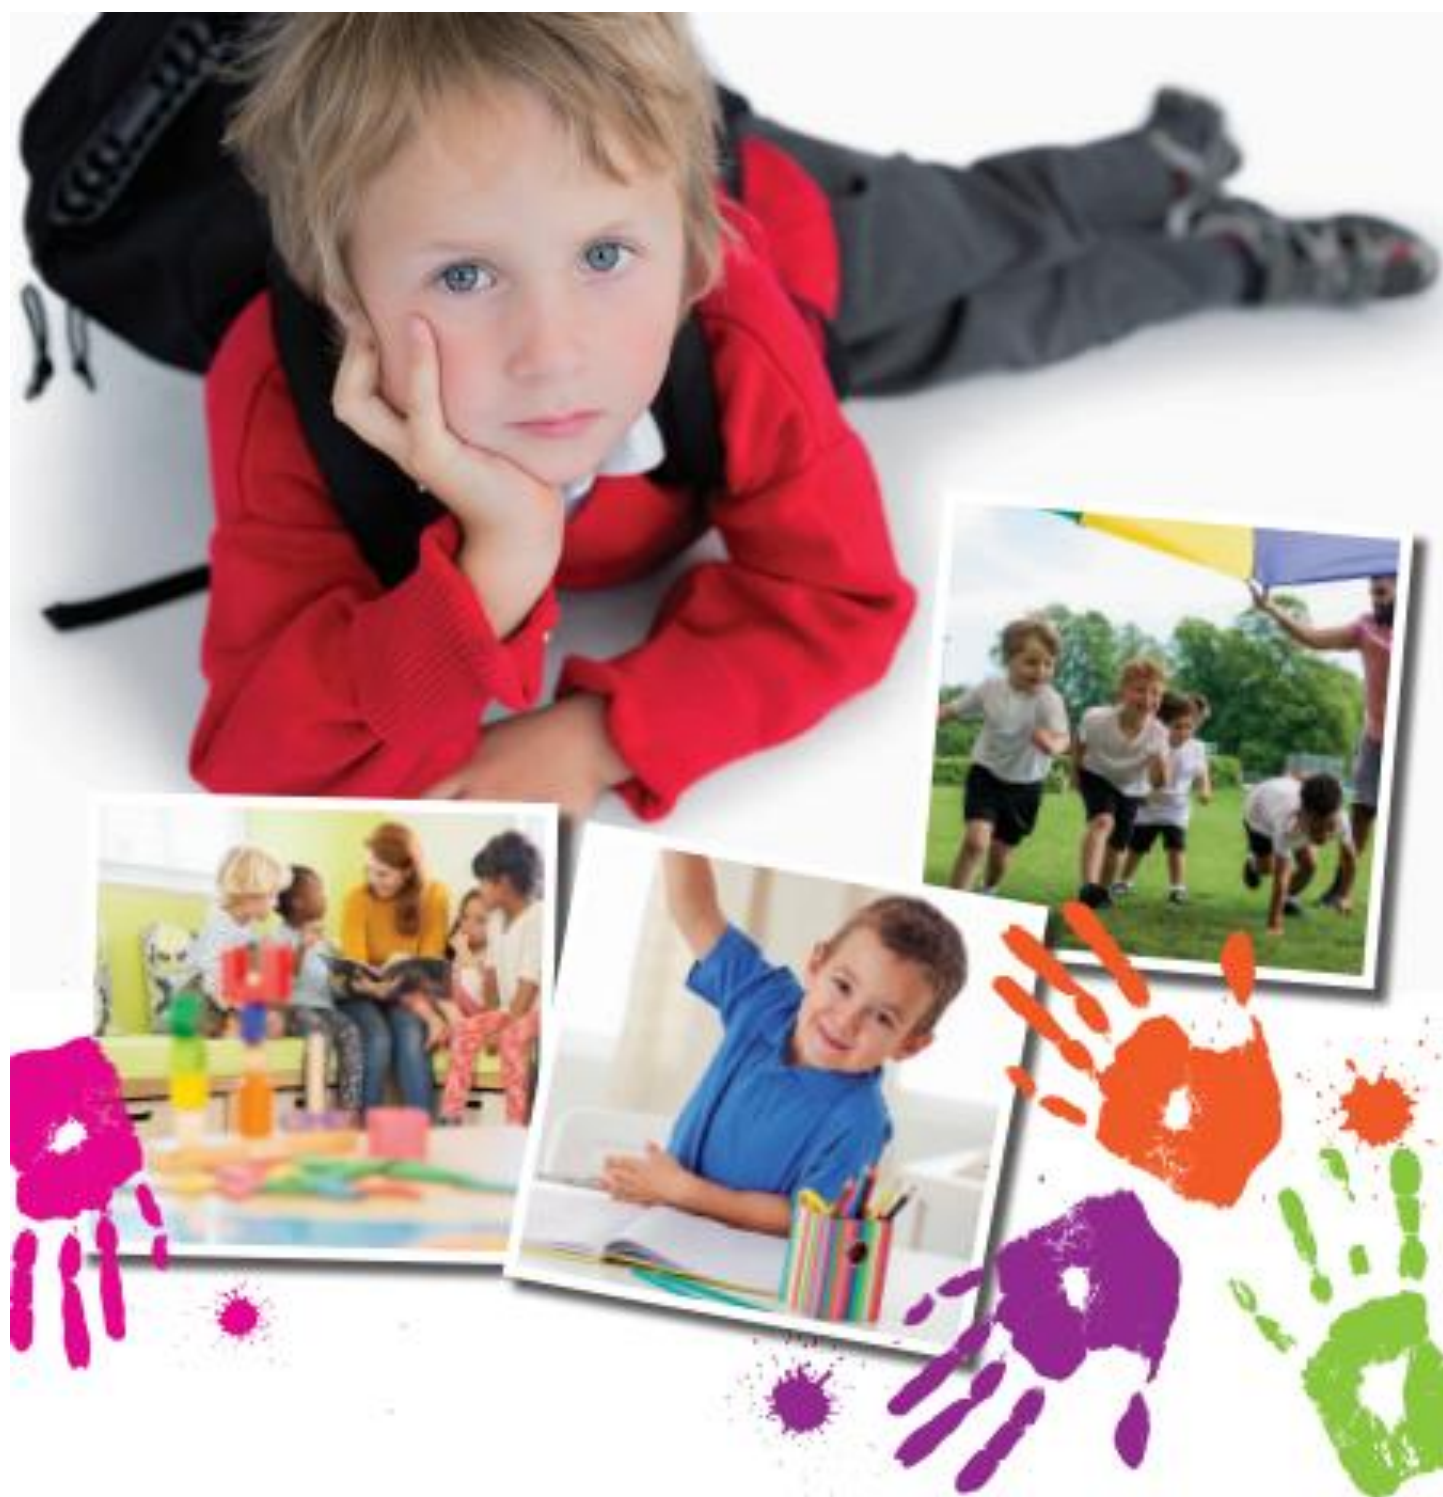

Please ensure your child brings their reading book to school every day, as we read with them regularly throughout the week. Books will be changed every Monday.

Seesaw is an app that you can download on your phone or access on the computer. It is a platform we use at St Mary's to show you photographs of your child's learning throughout the week and where home learning will be set if you need any help with using this app please let me know.

Questions

If you have any questions please email the office@stmarys.brighton-hove.sch.uk or speak to me when collecting your child from school.
