

Reception Newsletter

Friday 7th November 2025

I hope you all had an enjoyable and restful half term.

This week, we have started our new topic, A Journey Under the Sea. The children have loved reading the story Sharing a Shell and have drawn some wonderful sea creatures and underwater settings. We have also been learning about Bonfire Night and how to stay safe. The children created fantastic bonfire collages and colourful firework paintings.

In Maths, we have been exploring how numbers up to 5 can be made up of different parts. For example, 5 can be made from 2 and 3. Can you ask your child what the numbers 3, 4, and 5 can be made up of, using a number sentence such as "2 add 2 makes 4"?

I hope you all have a lovely weekend.

Miss Julian
